

# Creative Escape Tea & Talk Series

The Farmington Valley Arts Center, a non-profit organization in Avon, CT is introducing a new exciting Creative Escape Tea & Talk series to be tailored to your group. We would be happy to host your group in our spectacular new Fisher Artisan Gift Gallery for a lovely casual mid morning, early afternoon or evening talk and artful browsing. Enjoy tea, pastry and a creative gathering. As part of our community outreach there is no charge for these programs (a small materials fee may apply for some hands-on projects). **Co-Coordinator: C.
